Robert is a CPA with over thirteen years experience in private and public accounting who serves clients in the manufacturing, distribution and construction industries. An assurance manager, Robert plans and supervises audit engagements and provides consultation to clients on internal control and operational improvements. He is also an integral part of Decosimo's professional education initiatives, providing comprehensive training to staff accountants on the latest accounting software utilized by the firm.

Robert is a member of the board of governors for Memphis Health Center, Inc. and a member of the Kiwanis Club of Millington. He is a graduate of Memphis State University with a Bachelor of Business Administration degree. Robert also maintains memberships with the American Institute of CPAs, Tennessee Society of CPAs and the Institute of Management Accountants.
